

# 2023 API SUMMIT

The API Summit brings together thought leaders from the non-profit, corporate, media, government, and philanthropic sectors to address the most pressing needs of the Bay Area Asian and Pacific Islander (API) community.

As our community emerges from the pandemic and continues to face anti-Asian hate, this year's Summit will focus on how the API community is working alongside other communities of color toward healing, recovery, and collective action.

- What role are APIs playing in the racial justice movement?
- What are promising examples of working cross-racially to improve well-being for communities of color?
- What's possible when we work together to shift systems?

Your sponsorship will be critical in enabling these important discussions. Thank you for your consideration!

	Platinum \$20,000	Gold \$15,000	Silver \$10,000	Bronze \$5,000
